PERALS® Workshop at 44th Annual Bioassay Conference!

Come early and attend the **PERALS® Workshop** being held in conjunction with the **44th Annual Conference on Bioassay, Analytical and Environmental Radiochemistry** in Albuquerque, New Mexico. The Workshop will be **only two hours in duration**, on **Sunday, 15 November 1998 from 8:00 am to 9:45 am in Salons A & B**. [Click here to go to the Conference web site](#), for more information.

There is *no charge* for this **FREE Workshop!**

Learn about the PERALS from the experts — **real-world users!** Last year, researchers from **Westinghouse Savannah River Company, Brooks AFB, and Florida State University** spoke on their work with the PERALS. *We will update this web page as we arrange for speakers for this year.*

Topics:
Preliminary topics for the

Dr. **Bob Metzger**, PERALS user and president of **Radiation Safety Engineering** and **Wayne Graves**, ORDELA product manager will facilitate the Workshop. Questions about your applications, instrumentation, and procedures will also be addressed. In case time runs out, both will be available after the Workshop to answer your questions.

PERALS Workshop VIII include, but are not limited to:

- ◆ **NEW applications:**
- Update on ^{238, 234}U in drinking water and other matrices
- Sequential U, Th, Ra from soil
- ◆ **PERALS User's Presentations**
- ◆ **CEM Corporation:**
- New microwave dissolution techniques applicable to PERALS use
- ◆ **Discussion & questions**

Please register if you plan to attend! Fill in the [registration form](#) (click to go there) so we can have an information package & handouts ready for you! Also, we cannot have the Workshop unless we receive the minimum number of participants to fill the meeting room.

We are offering this Workshop to **train PERALS users how to get the most out of your system, acquaint you with new techniques and uses for the PERALS, share experiences, learn other techniques to improve your alpha counting and get to know your colleagues a little better.**

Let us hear from you soon!

IMPORTANT!

To reserve your space, please complete and return this registration form, *today!*

1998 PERALS® WORKSHOP VIII

We look forward to seeing you at our Workshop in Albuquerque, NM! What are the names of other people who will be attending with you?

Are you a PERALS user? If yes, would you present a short, 10 minute talk on your work with PERALS to benefit your colleagues?

Bob Metzger and his PERALS at Radiation Safety Engineering

What topics would you like to see discussed during the workshop? (We will modify our Web page to better represent your requests!)

What can we do to help you in your work now, *before* the conference?

Name: _____

Company: _____

Address: _____

Telephone: (____) ____--____. FAX: (____) ____--____.
